FOCOS (The Foundation of Orthopedics and Complex Spine) is a non-profit organization established in 1998 by Dr. Oheneba Boachie-Adjei. The FOCOS mission is to provide comprehensive, affordable orthopedic and spine care to the people in underserved communities around the world, primarily in Western Africa. Through its international network of world-class volunteer surgeons and other medical providers, the FOCOS vision includes the creation of sustainable infrastructures for local capacity building and professional development to support the FOCOS mission.

Thank you to Young Friends of FOCOS for your dedication, support and good spirits.
